Heather McMillan, Guest Speaker

Heather McMillan is a wife, mother, author, entrepreneur, and a pastor. Together with her husband, Elton, they lead the Family and Children's Ministry of Life Bible Church in Harrisburg, Oregon. Heather created We Choose Virtues, an internationally-known curriculum that helps parents and educators to "Simply Inspire Character That Lasts."

Heather understands the importance of living a lifestyle of trust. Over her lifetime, she has battled chronic kidney disease and a life-threatening bout with cancer. Even before God completely healed her of the cancer, she chose to worship and trust Him with her life.

Heather and Elton Jr. have five great children. They enjoy being real and authentic with each other, not striving to be perfect, but passionate about keeping God at the center of everything, no matter what!

Heather is an example of living beyond her circumstances and expecting to see God move in miraculous ways. Truly, One in a Million!

All women are welcome. Childcare not provided.
