## "Connecting Women to Reflect God's Love"

**T**his year we want to reach out and impact the wounded women in our communities during the course of the study *"Discerning the Voice of God."* I want you to pray in your individual studies and ask God to help you to hear His voice and move in the power of the Holy Spirit to reach the women who are either wounded emotionally, physically or spiritually. Maybe they are single moms, widows, homeless, or broken hearted and in need of some help.

You can be as creative as you want to be. Listed below are some non-profit organization that you can partner with to reach the women in your communities. There are many non-profits in your communities that perhaps are not on this list. Please feel free to give to the organization of your choice.

In Isaiah 61:1-2 it shares,

*"The Spirit of the Lord God is upon Me, because the Lord has anointed Me to preach the good news to the poor; He has sent Me to heal the brokenhearted, to proclaim liberty to the captives, and the opening of the prison to those who are bound."*

This is Jesus' job description but it is also ours, too. We are to go out and find the lost and the broken women in our neighborhoods and extend love to those who are in need.
